 General John D. Ryan
 Commander in Chief
 Strategic Air Command Headquarters
 Offutt Air Force Base, Nebraska

Dear General Ryan:

I wish to thank you for the excellent briefings which officers of your Command gave on 18 and 20 October 1965 to members of the Central Intelligence Agency Midcareer Executive Development Course. The information imparted and the tours arranged at Offutt and Warren Air Force Bases served admirably to explain the role of the Strategic Air Command and of its Directorate of Intelligence under Brigadier General Philpott.

All of the officers who participated in the briefings at Strategic Air Command Headquarters reflected the highest degree of dedication and enthusiasm. A special note of thanks is due the escort officer, Lieutenant Colonel James G. Brooks.

At Warren Air Force Base the efforts of Colonel Myers and the crew at the launch control facility were particularly appreciated, as was the assistance of the project officer, Major Grossart.

I hope that future Midcareerists may have an opportunity to visit the Strategic Air Command Headquarters and installations.

Sincerely,

/s/ Richard Helms
